Mr. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program

Dear Mr. Hedberg,

Thank you for sending a copy of the letter of May 7, 1993 addressed to Al Rice.

I have faxed a copy to Mr. Andrew Babiy, who is the present manager who took over operations from Dennis Setliff, Mr. Kelly worked for him.

I do know Al Rice - but haven't met the other gentlemen.

My husband, Stewart Ashton, died March 30, 1992. He always spoke of the fairness and helpfulness of your Dept.

I am at loss without his council! He has worked on the Horseshoe Bend ever since I first met him, 38 years and years before that!

I so wanted it to be a "Success" before he died.

Would it be possible for me to secure a copy of the Utah State Lease for Metalliferous Minerals? I have a 1984 copy. I think it was from the State of Utah, Board of State Land & Forestry Division, 42996.

Thank you for your kind letters and hopefully all will be resolved satisfactory.
